Notwithstanding that the actual RSS establishment size and composition determined in accordance with the Brief may deviate from the notional RSS establishment size and composition as stated in the Fee Proposal Proforma, any deviation between the actual RSS establishment size and composition determined in accordance with the Brief and the notional RSS establishment size and composition as stated in the Fee Proposal Proforma shall not constitute additional Services nor a claim and the Consultants shall not be entitled to any payment or other compensation or relief of or attributable to the Employer's decision.

(C) The Consultants shall be reimbursed for actual payment of salaries and fringe benefits of RSS, advertising costs for recruitment of RSS and expenses for specified training courses for RSS provided that:

- (iii) the Consultants shall observe and comply with the conditions and mechanisms for determination of reimbursement caps and reimbursement as stipulated in this Clause.

- (E) (i) There shall be no price adjustment to the RSS on-cost rates in Clause SF ZZ *[Insert the clause no.]* of the Schedule of Fees until the first anniversary of the base date which is the due date for commencement of this Agreement. On the first and every subsequent anniversary (collectively referred to as “index update date”), a price adjustment factor equal to $(L - B)/B$ shall be calculated. The interim payments for RSS on-

cost under Sub-clause (D) of this Clause to be invoiced on or after the latest index update date but before the next index update date shall be multiplied by this factor to determine the price adjustment amounts.

Within the first five working days of each calendar month, the Consultants shall submit the forecast and application for payment for such reimbursement and RSS on-cost one calendar month in advance to the Director’s Representative if appropriate. An explanation of the changes made since the previous forecast is submitted with each forecast. The Consultants shall correct any incorrectly estimated amount of reimbursement and RSS on-cost in a later application for payment but no interest will be paid on the difference between the incorrectly estimated amount and the correct amount. Applications for payment shall be processed in accordance with Clause 31 of the General Conditions of Employment.

A reason for withholding processing of any application for reimbursement and RSS on-cost is that more information is needed in order to assess the Consultants' submissions fully. A reason for disapproval of any application for reimbursement and RSS on-cost is that the Consultants' submission does not comply with Clauses SCE XX [*Insert the clause no.*] or SCE YY [*Insert the clause no.*] of these Special Conditions of Employment or the service provided by the Consultants does not comply with the Brief where appropriate.

- (G) The Consultants shall keep and submit the following records to the Director's Representative in each payment application for the estimated expenditure on reimbursement and RSS on-cost in the following calendar month pursuant to Sub-clause (F) of this Clause:
