All contractors on the  
List of Approved Contractors for Public Works and  
List of Approved Suppliers of Materials and Specialist Contractors for Public Works

Dear Sirs/Madams,

**Mandatory Use of “Electronic Tendering System for Works Contracts (“e-TS(WC)”)  
for Public Works Tender adopting Open Tendering**

Further to our letter ref. DEVB(W) 546/94/02 dated 18 June 2025 introducing an “open tendering” function in e-TS(WC) for trial use in public works tenders adopting open tendering (“selected works tenders”), we are pleased to announce that e-TS(WC) has been performing satisfactorily in handling the tendering process of the selected works tenders.

2. In light of the above, we hereby announce the mandatory use of e-TS(WC) for handling public works tenders adopting open tendering and under the ambit of the Central Tender Board or Public Works Tender Board, with invitations to be made on or after **1 April 2026**.

3. Following the mandatory use of the “open tendering” function in e-TS(WC), tenderers will have to handle the tendering process, which includes, inter alia, checking tender invitations, downloading tender documents/supplementary information/addenda, raising tender queries and receiving responses, submitting tenders, receiving tender clarifications and making responses, and receiving award results, via the system.

4. Please note that the help desk cum telephone hotlines manned by the Development Bureau (General Enquiry: 3997 1844 or Technical Support: 6310 9329) will continue to provide timely assistance to users of e-TS(WC).

5. If there are any enquiries, please contact Mr. Eric CHAN, AS(WP4)7, on tel. no. 3509 8711.

Yours faithfully,

( David H W LEUNG )  
for Secretary for Development
