## **INTRODUCTION**

This document contains lists of Agent Responsible Codes, referenced in the CAD Standard for Works Projects, to be used in the naming of model files and layers.

The Agent Responsible Code lists will be administered by the CSWP Working Group. Requests for inclusion in the lists should be submitted, by e-mail, to [cswp@devb.gov.hk](mailto:cswp@devb.gov.hk) for consideration.

## Participating Gov. Depts.
