

**Standing Committee on Concrete Technology  
Annual Concrete Seminar 2010**

**Venue** : Tai Po Civic Centre, Hong Kong  
**Date** : 3 March 2010  
**Seminar Theme** : High Performance Concrete: Strength, Durability & Workability

Start	End	Duration (min.)	Programme	Speaker
09:30	09:45	15	Registration	<b>Morning Session Chairman – Ir Edwin K H TONG AD(Tech), CEDD</b>
09:45	09:55	10	Opening Address	Ir Edwin K H TONG Chairman, SCCT
09:55	10:55	60	Recent Development of High Performance Concrete in Europe	Prof. Tom Harrison The University of Dundee
10:55	11:10	15	<b>Break</b>	
11:10	11:50	40	Development of High Performance Concrete in Hong Kong from Research & Development Viewpoints	Prof. Albert K H Kwan The University of Hong Kong
11:50	12:15	25	Q&A and souvenirs presentation for morning session	
12:15	12:25	10	Presentation of Material Trophy Competition Winning Certificates	Presented by Ir Edwin K H Tong Chairman, SCCT
12:25	14:00	95	<b>Lunch break</b>	
14:00	14:10	10	Re-registration	<b>Afternoon Session Chairman – Ir Ken K S HO CGE/S&amp;T, GEO, CEDD</b>
14:10	15:10	60	Use of High Performance Concrete in China	Prof. SUN Wei (孙伟教授) Southeast University(东南大学) Member of the Chinese Academy of Engineering (中国工程院院士)
15:10	15:25	15	<b>Break</b>	
15:25	16:05	40	Application of High Performance Concrete in High-rise Buildings and Infrastructure	Ir Stephen Leung Ove Arup & Partners Hong Kong Ltd
16:05	16:45	40	Use of High Performance Concrete from Producers' Viewpoints	Mr Sam Yip Concrete Producers Association of Hong Kong Ltd
16:45	17:10	25	Q&A and souvenirs presentation for afternoon session
